Information Regarding NBC Deacon Nominations

Excerpts from Northlake Constitution & Bylaws: During the month of June, the *church members will be asked to pray earnestly* about the men God would have to serve as deacons at Northlake. Men elected to the office of deacon shall have the qualities of character consistent with the teachings of Acts 6:3-5 and 1 Timothy 3:8-13. They shall be regular in attendance and supportive of the services of the church, faithful in the practice of storehouse tithing, cooperative in attitude, and men whose influence will strengthen the witness of the church. On a designated Sunday in July (July 11), the membership will be asked to submit a list of names of men they believe, after prayerful consideration, are qualified to serve as deacons. The number of men listed will be determined by the number of vacancies on the deacon body (2 vacancies). The deacon selection team, consisting of at least five persons (the chairman of deacons and at least four selected by the Ministry Placement Team) will take the list of men and consider qualifications of each. Deacon selection will not be based solely on the number of nominations received by each man, but by the knowledge obtained by the selection team concerning each man's qualifications... and their willingness to serve. The deacon selection team will recommend to the church the men who will serve as deacons and the church will be asked to approve this list... Elections shall take place so that the new deacon body each year will take office September 1. *If you have questions or need clarification please see Bob Coker, Deacon Chairman.*
